SALEM COUNTY IMPROVEMENT AUTHORITY

RESOLUTION 2016-94

December 8, 2016

A RESOLUTION ESTABLISHING A FAIR AND OPEN PROCESS FOR THE
AWARDING OF A PROFESSIONAL SERVICES CONTRACT FOR A
PROFESSIONAL ENGINEER FOR WETLANDS MITIGATION FOR
THE SALEM COUNTY IMPROVEMENT AUTHORITY

WHEREAS, the Salem County Improvement Authority of Salem County
("SCIA") requires the services of a Professional Engineer for Wetlands Mitigation; and

WHEREAS, retaining the services of qualified professionals for such positions has long
been exempt from "public bidding" by N.J.S.A. 40A:11-5(a) due to the important policy
consideration of allowing a public body to appoint candidates they deem to be most qualified
and advantageous to the needs and goals of the public body; and

WHEREAS, N.J.S.A. 19:44A-20.7 permits a County Authority to establish a "fair and
open process" that allows for public solicitation of qualifications of persons interested in
providing such services; and

WHEREAS, the SCIA has determined that establishing such a process protects its right
to appoint the most qualified candidates while making the process more open and competitive;

NOW THEREFORE BE IT HEREBY RESOLVED by the Salem County
Improvement Authority as follows:

1. There is hereby established a "fair and open" process for the award of a
contract for the position of Professional Engineer, Wetlands Mitigation and/or any other
professional service or other contract excepted from the State public bidding law, where the
value of said contract exceeds $17,500.00;

2. The Fair and Open Process shall be as follows:

   A. The SCIA Executive Director shall cause to be advertised a notice of solicitation
      of qualifications for such positions in a form substantially similar to Exhibit "A" attached hereto.
      Said notice shall be published at least 10 calendar days in advance of the date set forth therein as
      the deadline to submit proposals.

   B. The SCIA Executive Director shall make the necessary arrangements to publicly
      open and announce all proposals received. The SCIA Executive Director shall forthwith
      thereafter review all proposals received and transmit them to the SCIA members with a summary
      report and recommendations.

   C. Award of any contracts based on the submissions received shall be made by
      Resolution of the SCIA at an open public meeting, after receipt of the materials from the SCIA
      Recording Secretary.
