RF: Request for Customer Refund Danella Construction $2,500.00 Acct #4089

I respectfully request that Danella Construction, Acct #4089, with a deposit balance of $2,500.00, be refunded to the customer. The customer provided this deposit amount in advance to ever using our facility. They were considering delivering PSEG project soils from the Pennsauken project to our SWD fur beneficial use, but an agreement was worked out with their current landfill site instead.

This account can remain open in the event that in the future, Danella Construction sees a need to utilize our facility. No request was made to close this account.

Please be assured that this account has been thoroughly reviewed to insure that the deposit balance requested to be refunded is correct.

Thank you in advance for your consideration to this refund request.

RE: Request for Release of Danella Deposit Moneys
Danella Account #: 4089

Dear Ms. Williams,

As a follow-up to our discussion on August 6, 2014, I am hereby submitting a formal Danella Construction letter to request the $2,500.00 deposit to be returned to Danella Construction. This money was provided to Salem County Landfill with the intentions of using your landfill for the disposal of soils from our PSE&G Project in Pennsauken, NJ. The work progressed but Danella was able to maintain deliveries to another landfill location with no charge for disposal services. The project is now wrapping up so there is no immediate need for Salem County Landfill services.

Therefore, I am faxing you and emailing this letter to meet the requirements of your audit team. Also attached is the latest Salem County Improvement Authority Statement Invoice # 14826, dated 8/31/2014 showing the negative $2,500.00 balance.

Thank you for your time and efforts on our behalf and I hope to work with you again on a future project.

Sincerely,

[Signature]
