**WHEREAS**, the Authority advertised for the acceptance of bids and provided specifications for the scope of the work and the requirements of the bid proposals; and

**WHEREAS**, bids were opened publicly on April 23, 2020; and

**WHEREAS**, the bidder submitting the lowest responsible bid was Wyndham Construction, LLC of Turnersville, New Jersey in the amount of \$5,590,600; and

**WHEREAS**, it is in the best interest of the Authority to award a contract as soon as possible to start the construction of Cell 10 because the capacity of the landfill is diminishing to the extent that the continued operation of the landfill would be jeopardized by not starting construction of the expansion in a timely fashion; and
