

SALEM COUNTY IMPROVEMENT AUTHORITY

RESOLUTION 2021-38

FEBRUARY 11, 2021

**RESOLUTION OF THE SALEM COUNTY IMPROVEMENT AUTHORITY
REJECTING ALL PROPOSALS AND AUTHORIZING ABANDONMENT OF
QUALITY ASSURANCE ENGINEERING SERVICES FOR CONSTRUCTION AND
INSTALLATION OF THE EXPOSED GEOMEMBRANE COVER**

WHEREAS, The Salem County Improvement Authority ("SCIA") executed Resolution 2020-99 authorizing the advertisement of Requests for Proposals ("RFP") under a Fair and Open Process for Quality Assurance Engineering services for construction and installation of an exposed geomembrane cover; and

WHEREAS, the RFP was duly advertised and responses were received; and

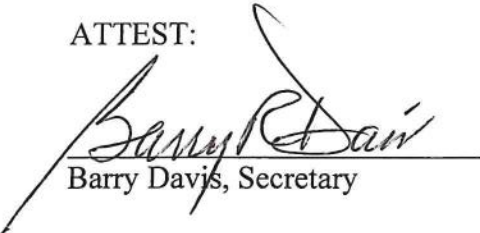

WHEREAS, subsequent to the receipt of RFP's, SCIA determined that Quality Assurance Engineering Services are not required with regard to the installation of landfill covers under NJAC 7:26-2a.7(a)&7) and thus the advertised services were not needed by SCIA; and

WHEREAS, Mark Swyka, P.E. of Tetra Tech confirmed with Anthony Fontana, Chief of the NJDEP Bureau of Solid Waste Permitting, that Quality Assurance inspection of exposed geomembrane covers is not required by regulations or NJDEP practice; and

NOW, THEREFORE, BE IT RESOLVED that SCIA hereby abandons the pursuit for Quality Assurance Services for construction and installation of the exposed geomembrane cover as said services are not required or needed for the project; and

BE IT FURTHER RESOLVED that in accordance with NJSA 40A:11-13.2(c), SCIA rejects all proposals and makes no award of the services in question.
