RESOLUTION No. 2022-53

May 12, 2022

**RESOLUTION AUTHORIZING SALEM COUNTY IMPROVEMENT AUTHORITY TO
ADVERTISE FOR BIDS FOR
REPLACEMENT OF THE OUTBOUND SCALE**

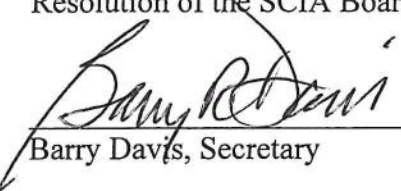

WHEREAS, the Salem County Improvement Authority (SCIA) has determined that the need exists to replace the outbound scale; and

WHEREAS, obtaining goods and services of qualified companies must follow New Jersey Local Public Contracts Law N.J.S.A. 40A:11-1, *et seq.*; and

WHEREAS, the SCIA has determined that the cost of replacing the outbound scale will exceed SCIA's bid threshold, that the contract for said replacement must go out to an advertised open public bid pursuant to N.J.S.A. 40A:11-4 and that soliciting open bids is to the advantage of the SCIA and makes the process more open and competitive;

NOW THEREFORE BE IT RESOLVED by the SCIA as follows:

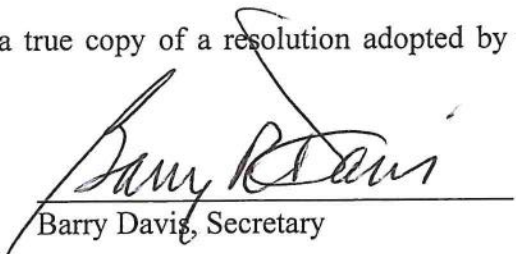

1. The Executive Director in collaboration with the Landfill Manager and the Landfill Engineer shall prepare bid specifications, as appropriate, for replacement of the outbound scale.
2. The SCIA Executive Director shall cause to be advertised a public notice of solicitation for open public bids on such goods and services.
3. The SCIA Executive Director shall make the necessary arrangements to publicly open and announce all bids received. The SCIA Executive Director shall forthwith thereafter review all bids received and transmit them to the SCIA members with a report and recommendations.
4. Award of any contracts based on the submissions received shall be made by Resolution of the SCIA Board at an open public meeting.
