

**SALEM COUNTY IMPROVEMENT AUTHORITY
RESOLUTION 2022-77**

September 8, 2022

**RESOLUTION OF THE SALEM COUNTY IMPROVEMENT AUTHORITY
AUTHORIZING THE USE OF THE RECYCLING ENHANCEMENT ACT ("REA")
GRANT TO FUND CHIPPING OF THE BRUSH PILE**

WHEREAS, The Salem County Improvement Authority ("SCIA") administers the REA Grant to help implement and enhance local recycling efforts; and

WHEREAS, the brush pile needs chipping so that it does not become unmanageable; and

WHEREAS, estimates were obtained and the lowest responding bidder was Strobert Land Clearing Operations of Wilmington, Delaware with an estimate of \$14,000.00; and

WHEREAS, funds are available in the REA Grant accounting line item in the full amount of the cost of the job;

WHEREAS, funds are available in the full amount of the cost of chipping the brush pile and same have been certified by the Certifying Financial Officer;

Vendor: Strobert Land Clearing Operations

Account Number	Amount	Department Description
01-20-130-710	\$14,000.00	REA Grant

NOW, THEREFORE, BE IT RESOLVED that the Recycling Coordinator is authorized to commence work to chip the brush pile.

ATTEST:

Barry Davis, Secretary

Cordy Taylor, Chairman

CERTIFICATION

I hereby certify the above to be a true copy of a resolution adopted by the Salem County Improvement Authority Board at their regular meeting held September 8, 2022.

GRINDING SERVICES AT THE SALEM COUNTY LANDFILL

Project Description

Grinding and vegetative debris pile at the landfill in Salem County NJ.

Project Scope

The scope consists of the mobilization of the necessary equipment and manpower to grind the vegetative debris. Only the piles that consist of Stumps, wood and brush will be processed and removed. Dirt, soil, rocks, and non organic material will not be processed or removed.

Grinding spoils are to remain on site.

Pricing is based on one mobilization to the site. Standard wage rates, and non-union job site. Assumptions, exclusions, and inclusions are listed below. Additional mobilizations will be billed at the contract rate stated below in the pricing section. A minimum two week notice is required for mobilization

A. Assumptions

1. Grinding is to be done by mechanized equipment.
2. Free and clear access to work areas
3. Full access to the site would be provided.
4. Continuous work flow

B. Inclusions

1. One mobilization to the job site
2. Standard wage rates, open shop, non-union
3. All grinding spoils will be remain.

C. Exclusions

1. Installation and maintenance of E&S controls
2. Installation of construction entrances

3. Surveying and layout
4. Location of utilities
5. Traffic control.
6. Performance and payment bonds
7. Handling of hazardous waste
8. Removal and handling of stumps in contaminated areas
9. Removal of unforeseen underground structures or trash
10. Wet Land Permits

Total Contract Value

The cost for the grinding would be time and material, billable as follows

Mobilization/demobilize	\$ 4,000.00
Cost per for 1,100 hp Person Horizontal grinder, 1 Excavators with Rotoback grapple, operators, fuels and lubricants would be	\$14,000.00

Additional mobilizations beyond the one in the base contract, would be charged out at a cost of \$5,500 per mobilization.

Contract subject to the Strobert Tree Services terms and Conditions.

Payment is due upon completion. No Retainage.

High-Level Timeline/Schedule

The estimated duration for the grinding would be 2 days. This is weather dependent.
