Re: Contract Number FSA20-EQU18.0 Heavy Equipment

We are pleased to announce that the Florida Sheriffs Association has successfully completed its 18th cooperative competitive bid for heavy trucks. This contract is in effect beginning October 1, 2020 through September 30, 2023.

This year's bid award included 404 specifications and makes and models for heavy trucks.

The competitive process for this award began in April 2020, when stakeholders were surveyed regarding procurement needs. Specifications were developed based on prior year activity and new additions were added based on survey results and the Fleet Advisory Committee's review of products.

An advertisement of the Invitation to Bid was placed within the FSA website and Florida Administrative Weekly on April 22, 2020. On June 2, 2020, a direct notification was sent to 511 prospective bidders to register for qualification to participate in the bid process for heavy trucks and heavy equipment. From this ITB, 206 bidders responded to the pre-bid meeting registration or request for qualified waiver for FSA approval. Of these respondents, 84 submitted bids and 79 qualified, responsive bidders were awarded after a review by the FSA and the FSA Fleet Advisory Committee.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions to procure this contract.

Contract prices are extended and guaranteed to any local government or political subdivision of the state, public educational institutions, other public agencies or authorities with the State of Florida, and other entities approved by the manufacturer to participate in this contract.

Out of state sales are permitted under this contract. All purchasers are bound by their local governing purchasing ordinances, rules and regulations. All awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.
