High Volume Discounts for Gate Rate Users (Classes 10, 13 and 13C Only)

Volume (Per Class)*	Discount**
2,500 - 5,000 Tons	1%
Greater Than 5,000 Tons	2%

*Volume levels indicated are measured per class and the discount given applies only on the specific class where said volume levels are obtained.

**High volume discount users, account has to remain in good standing, which means bring account to a positive at least once every quarter.

***The discount is based on the volume on the preceding year. If a discount is achieved based on the previous year's volume, the discount will be applied on the subsequent calendar year's billings.

New or temporary customers will be charged the applicable base rate until the volume discounts are reached. Upon reaching discount levels, credits will be applied for previous billings during the initial year.

The Executive Director is authorized to negotiate special or temporary rates for customers when special situations arise.
